

Vipin Nambiar

Managing Partner & Founder

HN Capital Partners

Mr. Nambiar is a real estate owner, operator and developer, and directs and manages an opportunistic investment portfolio with a goal of identifying unique risk-reward situations. He also leads a portfolio of luxury hotels across the US, including the Rosewood Mansion on Turtle Creek, the W Dallas, and a portfolio of historic inns in the Hudson Valley in New York. He has significant experience overseeing successful execution of real estate development projects, including design, underwriting, financing, and asset management. Prior to the formation of HNCP, Mr. Nambiar was a Managing Director in the investment group at the Hunt organization, where he directed a diversified portfolio of direct investments. He has nearly two decades of experience in public and private real estate, during which invested in and managed over \$3 Billion of assets. Mr. Nambiar earned an MBA from the University of Chicago with a focus on finance and economics, and graduated from University of Texas at Austin School of Architecture with an integrated masters in urban planning and real estate, where he attended on a fellowship award. He serves on the board of Dallas Museum of Art, and the Dallas Housing Finance Corporation. Additionally, he is actively involved in Young President's Organization (YPO).
